

UDOIT - IT CHALLENGE

Société

Deloitte Luxembourg

Description

Roll up your sleeves and start your laptop, show us what you can do!

It is time to apply for UDOIT – the It Challenge of Deloitte Luxembourg (April 27th and 28th , 2017)

How UDOIT?

Come to Luxembourg for one and a half days, meet us, talk to us and, above all, work on a team project.

Three kind of profiles will be invited. If you think you belong to these profiles, apply online and indicate two of them in the application. Here they are:

Business Analyst:

You are a business hero. Your role is to understand businesses of the client and facilitate the workshops with stakeholders. During these workshops, you collect and formalise business needs to translate them into requirements. Based on these requirements you formulate recommendations and design architectural mapping, solution modelling.

Data Analyst:

You are a data lover. A big part of the job is to manipulate multiple datasets. Your analytical skills allow to answer business needs by defining, building, testing and deploying analytical models. Main steps of your activities are finding, cleansing, analysing datasets to bring values to your clients.

Developer:

You are a serial coder. You have strong technical skills, you translate requirements of the client in technical solutions. The Developer masters object, web or script languages to design and build great products to the client. You are used to work with agile methodologies and develop new ways of working (e.g. Scrum, devOps).

Remember that, no matter what, team spirit is an important and essential skill to accomplish the best way this challenge.

How to apply:

All you need to do is:

Click "apply online", fill in the application and select two profiles, in order of preference, that you think fit you. Attach CV and cover letter and complete the application by 3 April 2017;

We will check all applications and invite the selected ones. If selected, come to UDOIT on 27 & amp; 28 April 2017, get involved, make the best out of it (logistical details will be included in the invitation email);

After the event stay close to your phone...we may call you for a priority interview!

Please note that your travel expenses will be reimbursed according to our policy and Deloitte will provide Hotel accommodation for the night between April 27th and 28th.

Come and have fun!

What impact will you make?
